

WHEN SANTA has a pretty girl on his lap, there's reason for a smile. But Millie Trinkle, the young lady who lives at 922 1/2 Sartori and Santa — (Al Sanada, 1567 W. 204th Street) — have a better for smiling. It's the check Millie is holding up. It's her bonus from Longren, aircraft, 2576 Carson Street. Santa received one too. Millie works on the burr table. Sanada serves as shipping supervisor. (FOR STORY SEE PAGE 5)

### Longren Expansion Underway

Expansion plans for Longren Aircraft are now on the drawing board, Les Aikman, assistant to Vice President Hampden Wentworth, revealed this week.

He said the program calls for at least 60 additional employees—making a total of 200 who will work at the plant, located at 2576 Carson street.

Aiken said that Longren's had been in Torrance for the past 12 years. He pointed out that the present structures would be greatly modernized once the expansion plans are activated.
